\$100,000 DONATION FOR RIZZARDO HEALTH & WELLNESS CENTRE

Innisfil Self Storage and the Eisses Family make leadership gift to new health centre

Innisfil, ON – Town Hall erupted in applause this evening, as a \$100,000 donation was announced for the Rizzardo Health & Wellness Centre (RHWC).

The leadership gift made by Innisfil Self Storage and the Eisses Family will help bring much needed health care services to Innisfil. “Innisfil is a great place and my family has benefited from being part of this community,” said Harry Eisses. “It is with pleasure that we want give back.”

Innisfil Mayor Lynn Dollin, Deputy Mayor Davidson, members of Council and representatives from health partners throughout Simcoe County were on hand for the special announcement.

“The Eisses family is so deeply rooted in Innisfil’s history,” said Mayor Dollin. “With this gift, you are truly looking at the future, shaping the health and wellbeing of generations to come.”

The RHWC is currently under construction at the corner of Yonge Street and Innisfil Beach Road and is scheduled to open its doors later this spring. Today’s donation puts the RHWC within \$200,000 of it’s \$3.5 million fundraising goal.

Harry Eisses encouraged other businesses in the community to join Innisfil Self Storage and support the RHWC. “When we give together, we grow stronger together,” he said.

“I hope that others will be inspired by this generous donation,” Mayor Dollin agreed. “We’re calling on our community to help us complete fundraising before the doors open this spring.”
